GENAI ANNOUNCES DTC ELIGIBILITY FOR OTCQB LISTING

Vancouver, BC, June 14, 2023 – Generative AI Solutions Corp. (“GenAI” or the “Company”) (CSE: AICO, FSE: 99L.F, OTCQB: AICOF) is pleased to announce that its common shares are now eligible for electronic clearing and settlement through the Depository Trust Company (“DTC”) in the United States.

DTC is a subsidiary of the Depository Trust & Clearing Corporation, a U.S. company that manages the electronic clearing and settlement of publicly traded companies. Securities that are eligible to be electronically cleared and settled through DTC are considered to be “DTC eligible”. DTC eligibility is expected to simplify the process of trading and enhance liquidity of the Company’s common shares in the United States.

With DTC eligibility, existing investors benefit from potentially greater liquidity and execution speeds. This also opens the door to new investors that may have been previously restricted from our common shares and simplifies the process of trading our common shares in the United States.
