## GENAI SUBSIDIARY ENTERS FRAMEWORK SERVICES AGREEMENT

Vancouver, BC, March 13, 2024 – Generative AI Solutions Corp. (“GenAI” or the “Company”) (CSE: AICO, OTCQB: AICOF) is pleased to announce that its wholly-owned subsidiary, MAI Cloud Solutions Inc. (“MAI Cloud”), has entered into a framework services agreement dated March 7, 2024 (the “Services Agreement”) with a Cloud, GPU (“Graphics Processing Unit”) and AI Infrastructure services provider (the “Provider”), pursuant to which, the Provider has agreed to, among other things, provide the deployment of GPU infrastructure as a service (the “Service”) to MAI Cloud for a period of five years (the “Initial Term”), subject to the terms and conditions of the Services Agreement.

Pursuant to the Services Agreement, the Provider is expected to complete the deployment of the full GPU infrastructure in several stages, over a period of 36 months from the date of the Services Agreement (the “Effective Date”) and will deliver AI Infrastructure as service to MAI Cloud for a period of 60 months from each stage services activation date. MAI Cloud retains the right to extend the Initial Term for successive two year periods (“Extension Periods”) and to unilaterally terminate the Services Agreement during the Initial Term or any Extension Periods upon 120 days’ written notice to the Provider. The Service Agreement may also be terminated by the Provider or MAI Cloud upon 30 days’ written notice, in event of default or breach of contractual obligations in the Services Agreement by either party.

Entering into the Services Agreement is a step forward in GenAI’s engagement in diversified AI operations, and GenAI anticipates reselling a significant portion of the compute time on the GPUs provided under the Services Agreement to third parties at market rates, creating a diversified revenue stream for GenAI to complement its existing business lines. The actual revenue to be realized by GenAI in respect of the Services Agreement is subject to the value, manner and type of resale arrangement in respect of the Services to be provided by GenAI to third parties.

On Behalf of the Board of Directors,  
Ryan Selby

CEO, Director, and Chairman of the Board of Directors
